Tribute to the Zac Brown Band

About

The change from Colder Weather to Chicken Fried captures the range of HomeGrown. Based in Tampa, this Zac Brown Band tribute pairs vocal harmonies with a live concert approach that crosses country and Southern rock. As She's Walking Away, Keep Me In Mind, and Jump Right In are also in the repertoire. The program balances familiar hits with fan favorites, drawing on both the quieter storytelling and the more expansive side of the music.
